Agenda

- Brooklands Challenge. Wayne believed it was the best one we have had. With 117 entries and 102 turning up for qualifying it was our largest entry ever. Great entry from CAMS (24) and the Charger display (20) coupled with such a large crowd it made for an excellent day. Just need to replicate it for next year!
- Regularity Trail. Great progress is being made with the help of Robbo with the Regs. There will need to be a separate set of regs with the trail running under Club Sport. Lots of discussion regarding ensuring cars will pass scrutineering. Karen will forward the VCC pre audit race check for Wednesdays meeting.
- Southern Classic 2026 – We have been contacting entrants from 2024/5 and providing info on classes they could compete in. Formula Junior looking like 28 cars. 12 from the UK and 1 from Australia. Working with the other invited groups. Entry to be \$395 for CMRC members and \$445 for non-members.
- Gazebo – Will be at the Wigram Revival for the CMRC Allcomers & Pre 78.
- Marketing – Members Polo's. It was agreed that the original intention that all existing and new members would be offered a free polo. Moved Wayne, seconded Paul. Carried. Paul to get Laura to price up additional ones for the sizes we have run out of.
- Strategic Plan. Nick has asked that we get back with some goals for 2025/28. Also are there goals that can be removed from the plan that have been achieved.
- VAC – Steve prepared a draft of what our VAP will look like and showed it at Brooklands. It looks the part. Kevin reviewing a couple of cars at the moment.
