Agenda

- Brooklands Challenge. Nick said from his prospective the day went really well. Damons Leitch's sessions went well and Alan Turner did a great job is DSO. There was general discussion on what went well and what could be improved for the next meeting. Paul will get the finalised figures against budget once all invoices have been received and paid. Entry was CAMS (36), Pre78 (29), VCC (19), Allcomers (19), Libre (9) and Regularity (8).
- 3 Strike Rule. Work in progress waiting for Karens return. This will be finalized once we have agreed on our expected Driver Standards and then how the penalties, if any, are applied. This is **for all classes** in CMRC events
- VAC. Steve reported that he has processed 3 cars (2x Pre78 & 1 x Allcomers) to be reviewed. He caught up with Brian James who is now in a position to put more time in and will be especially useful in the Christchurch area.
- Teretonga. SSCC will run a round of Regularity at their Sunday meeting 18th October. We will run it for them with their people alongside so they can run it in the future. Hopefully they will run it at Speedfest after the Southern Classic giving us two (2) rounds to promote. They are happy we get in behind them to promote a fourth event for the CMRC at Teretonga in the future.

Next Meeting agenda to include: -

- Brooklands Challenge (Paul)
- Teretonga event 18th October.
- 3 Strike Rule.
- VAC report (Karen)
